BUILDING CHARACTER

Instructor: Jenniffer Thusing

Grades: 2-4 (grade entering Fall 2017)

Fee: \$200

Classes run Monday–Thursday. No class on Fridays.

Please join us for a fun acting class with a hint of storytelling, focused on what goes into creating and presenting a character.

Each student will use a variety of approaches to create a character, including history, wants and goals, movement and physicality and costume design/choices. Then, each student will be paired up with a partner(s) to create dialogue for his/her characters using a variety of approaches including improv, writing forms, and no content scripts. Teams will give one another feedback on the first draft of each scene/dialogue. Through this class, students will learn how to develop characters as actors, improvisers, and writers. The class will culminate in a “mini” showcase performance for an audience of family and friends.
